

A silhouette of a man walking a dog on a hill under a large, spreading tree at sunset. The sky is filled with dramatic, orange and yellow clouds, and the ground is dark. The man and dog are walking away from the tree towards the right.

No man is ever whipped until
he **quits** – in his own mind.
- Napoleon Hill

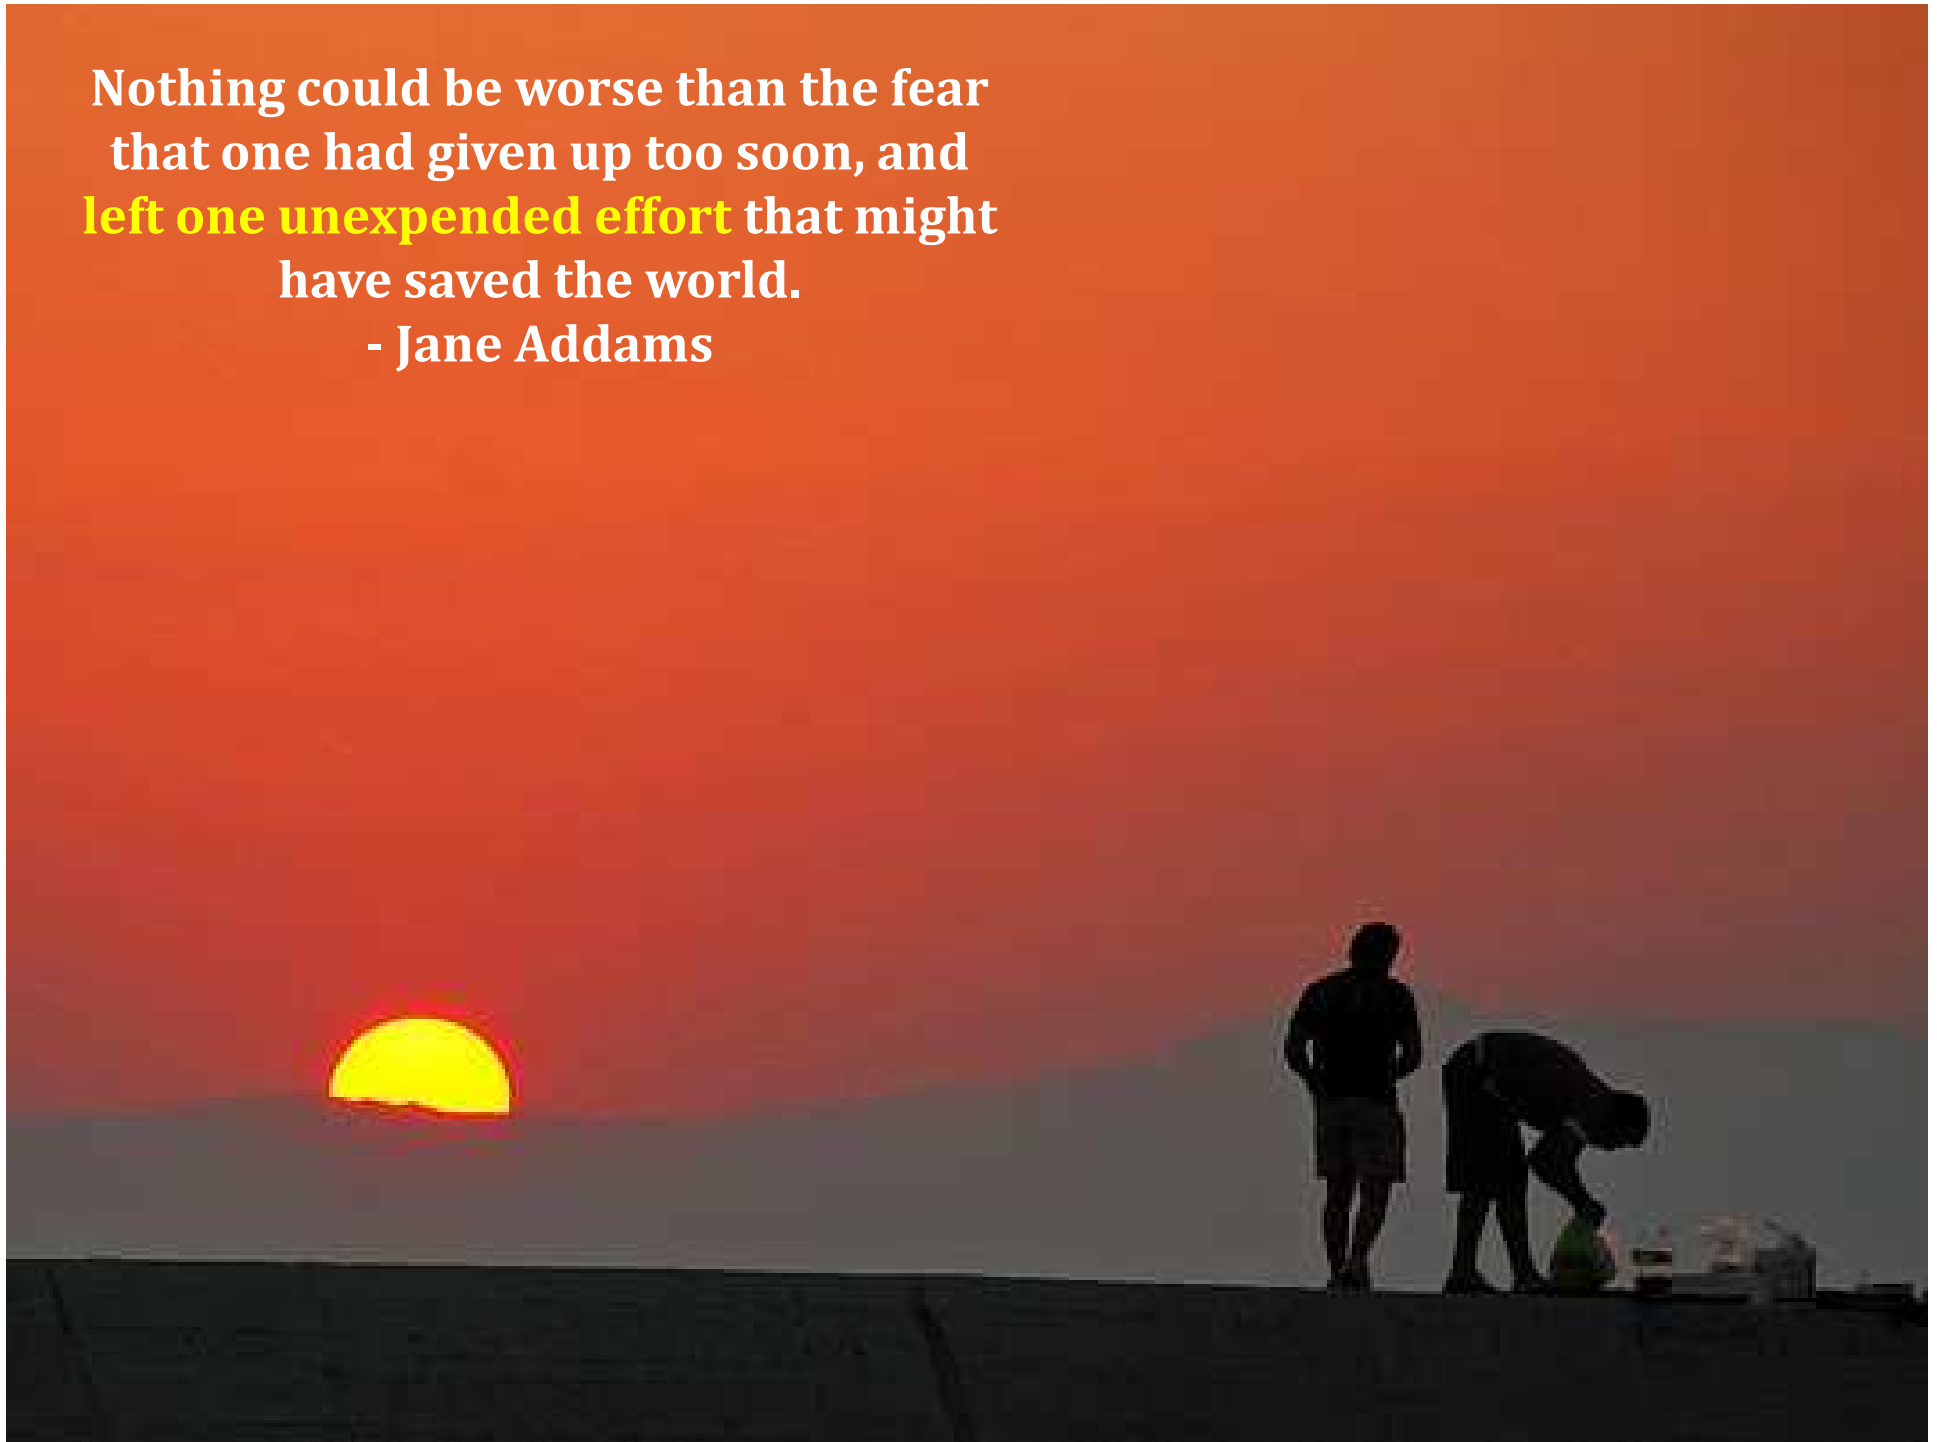

**You start a work in earnest
with loads of excitement and
hope only to **give up at the
first sign of trouble.****

As soon as things start to go wrong
you panic and let go. As soon as you
encounter an obstacle you convince
yourself that **the task is impossible**
and it is easier to give up.

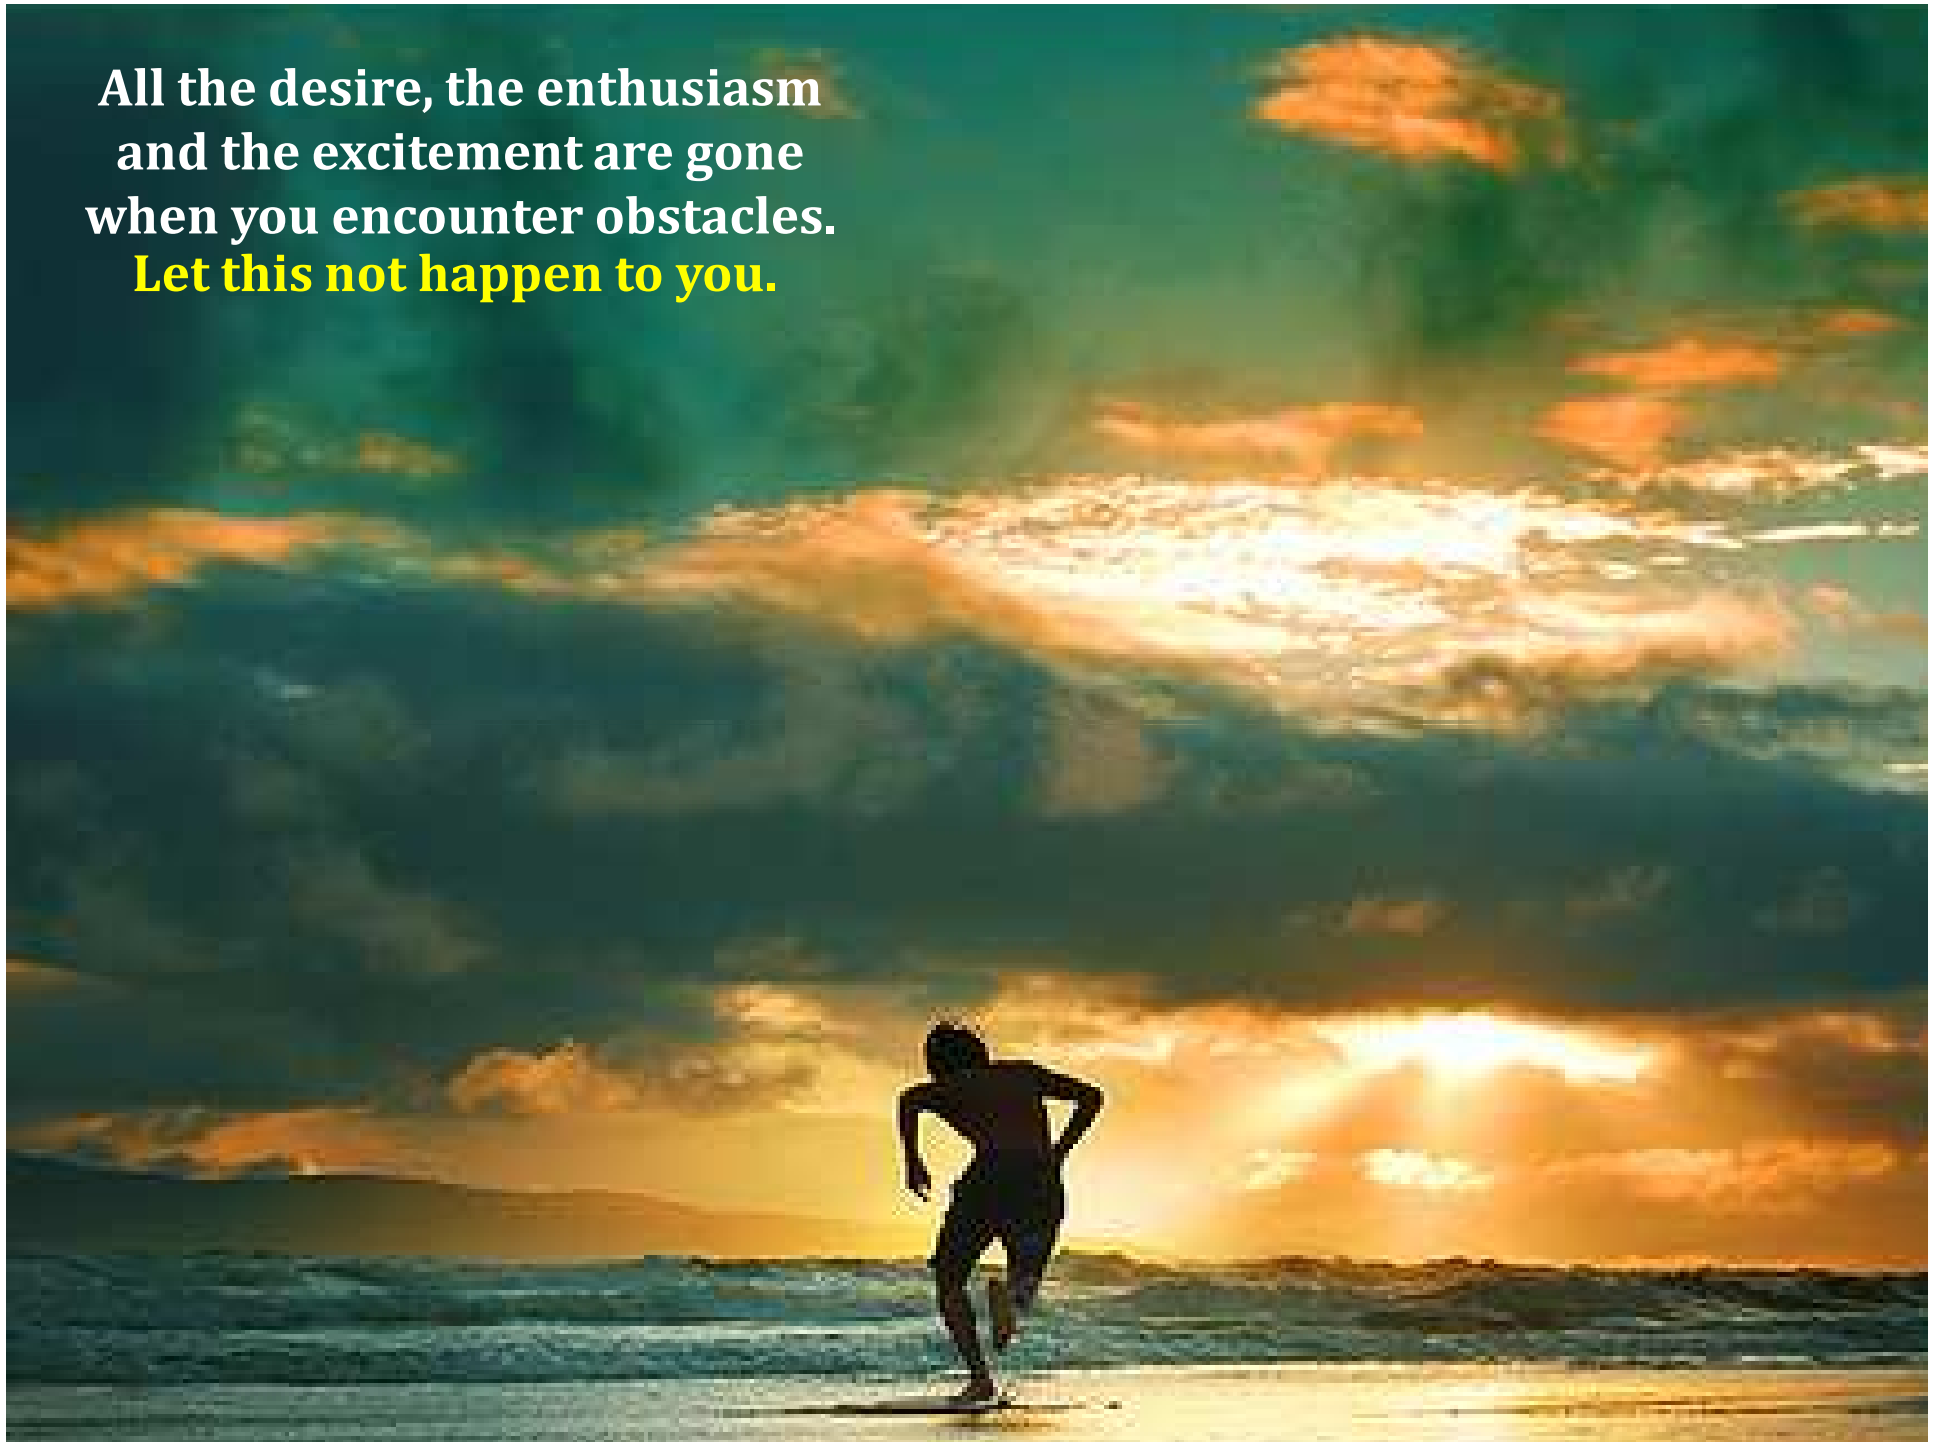

Nothing could be worse than the fear
that one had given up too soon, and
left one unexpended effort that might
have saved the world.

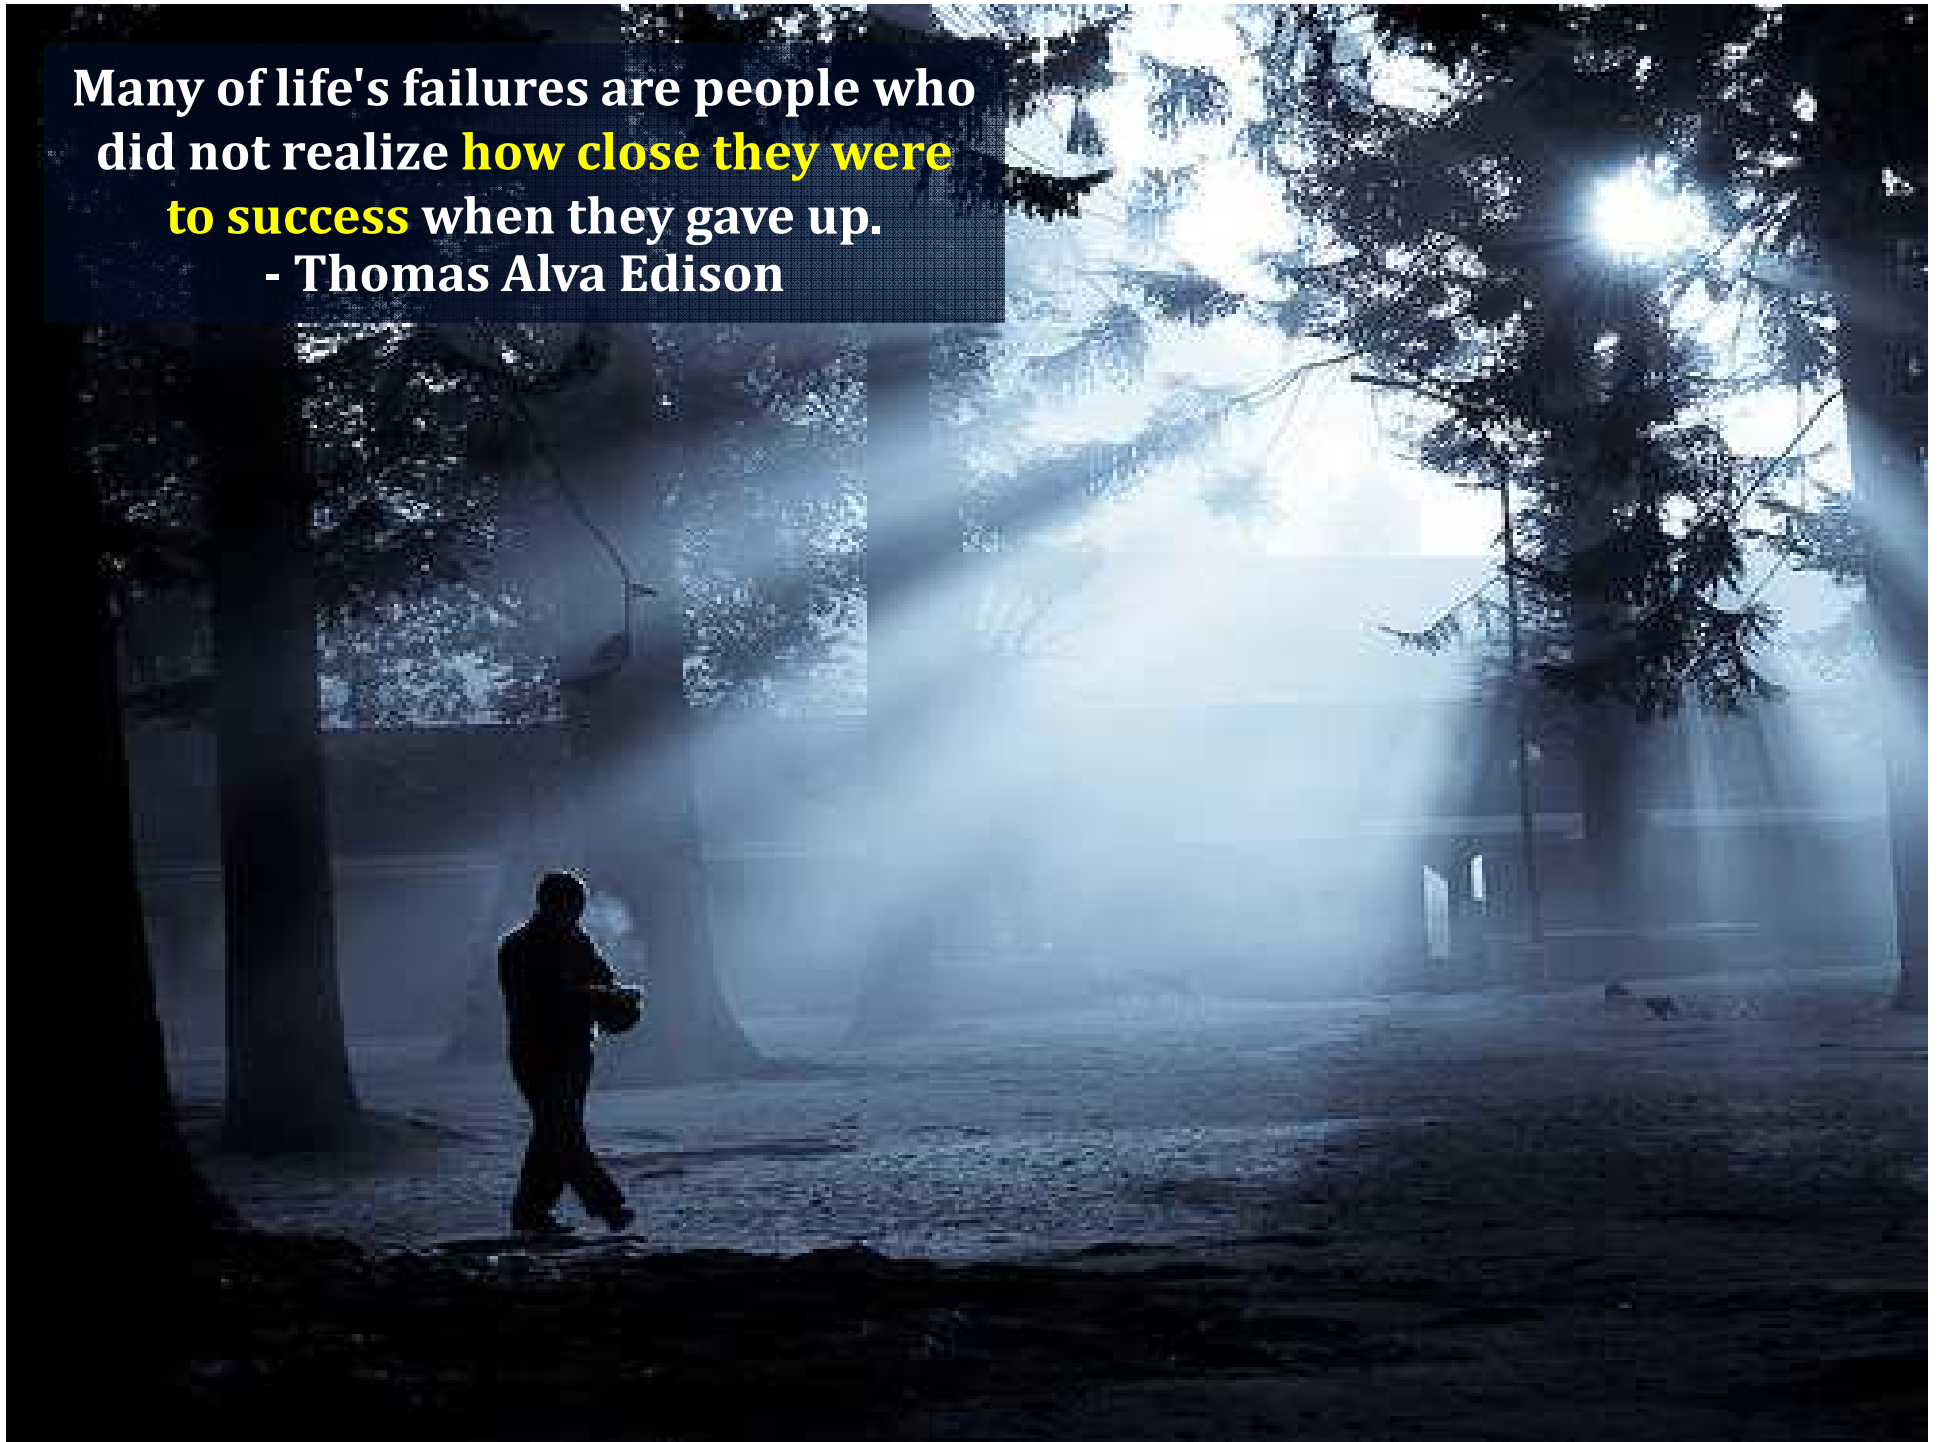

- Jane Addams

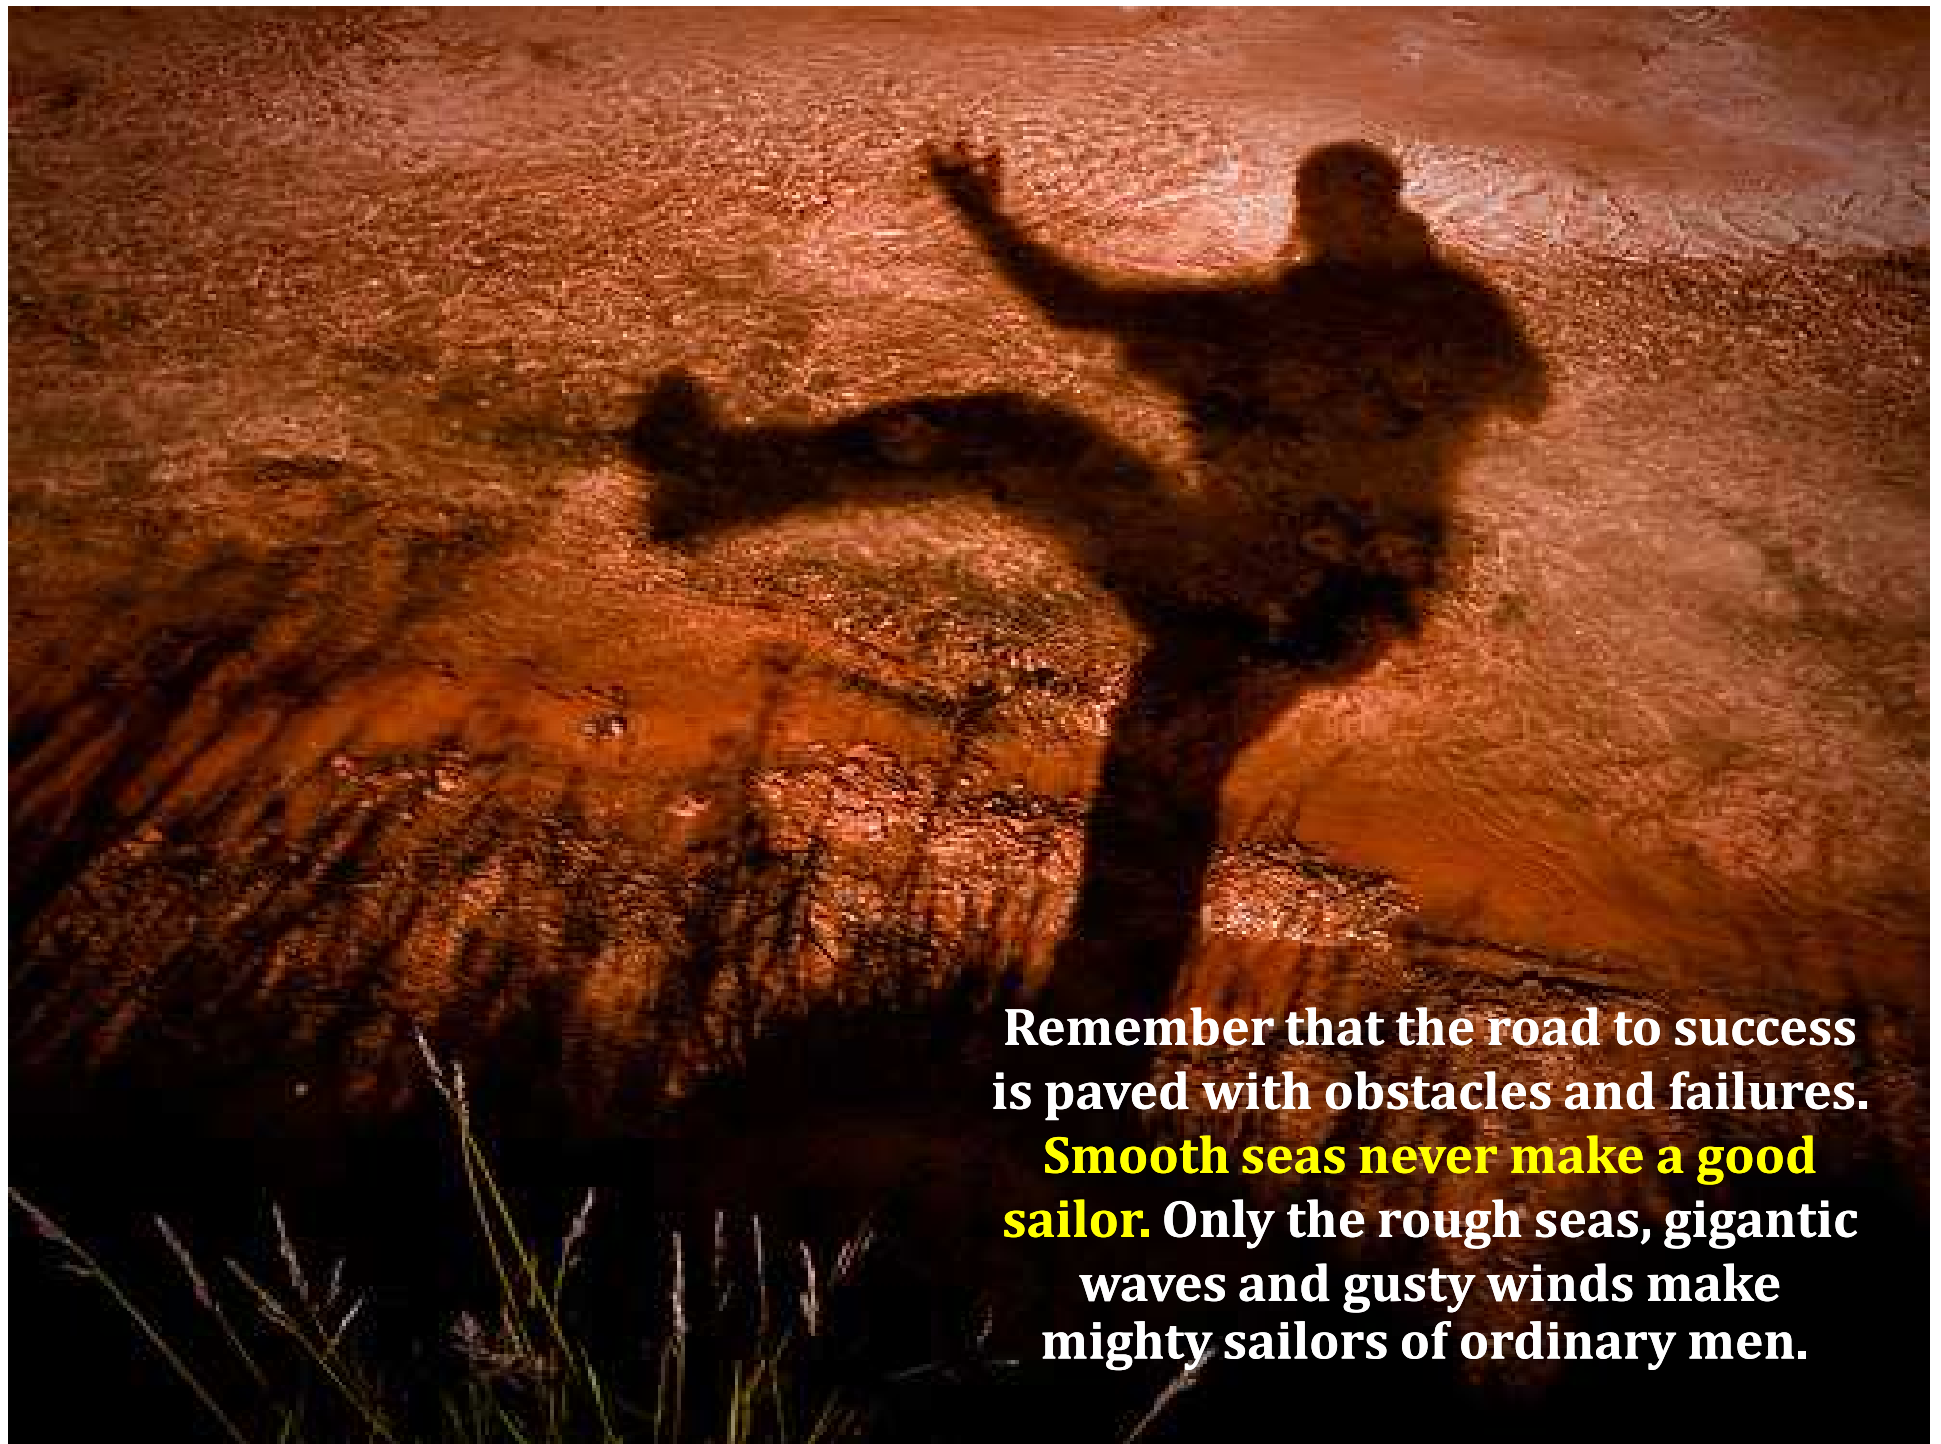

All the desire, the enthusiasm
and the excitement are gone
when you encounter obstacles.
Let this not happen to you.

Many of life's failures are people who
did not realize **how close they were**
to success when they gave up.
- Thomas Alva Edison

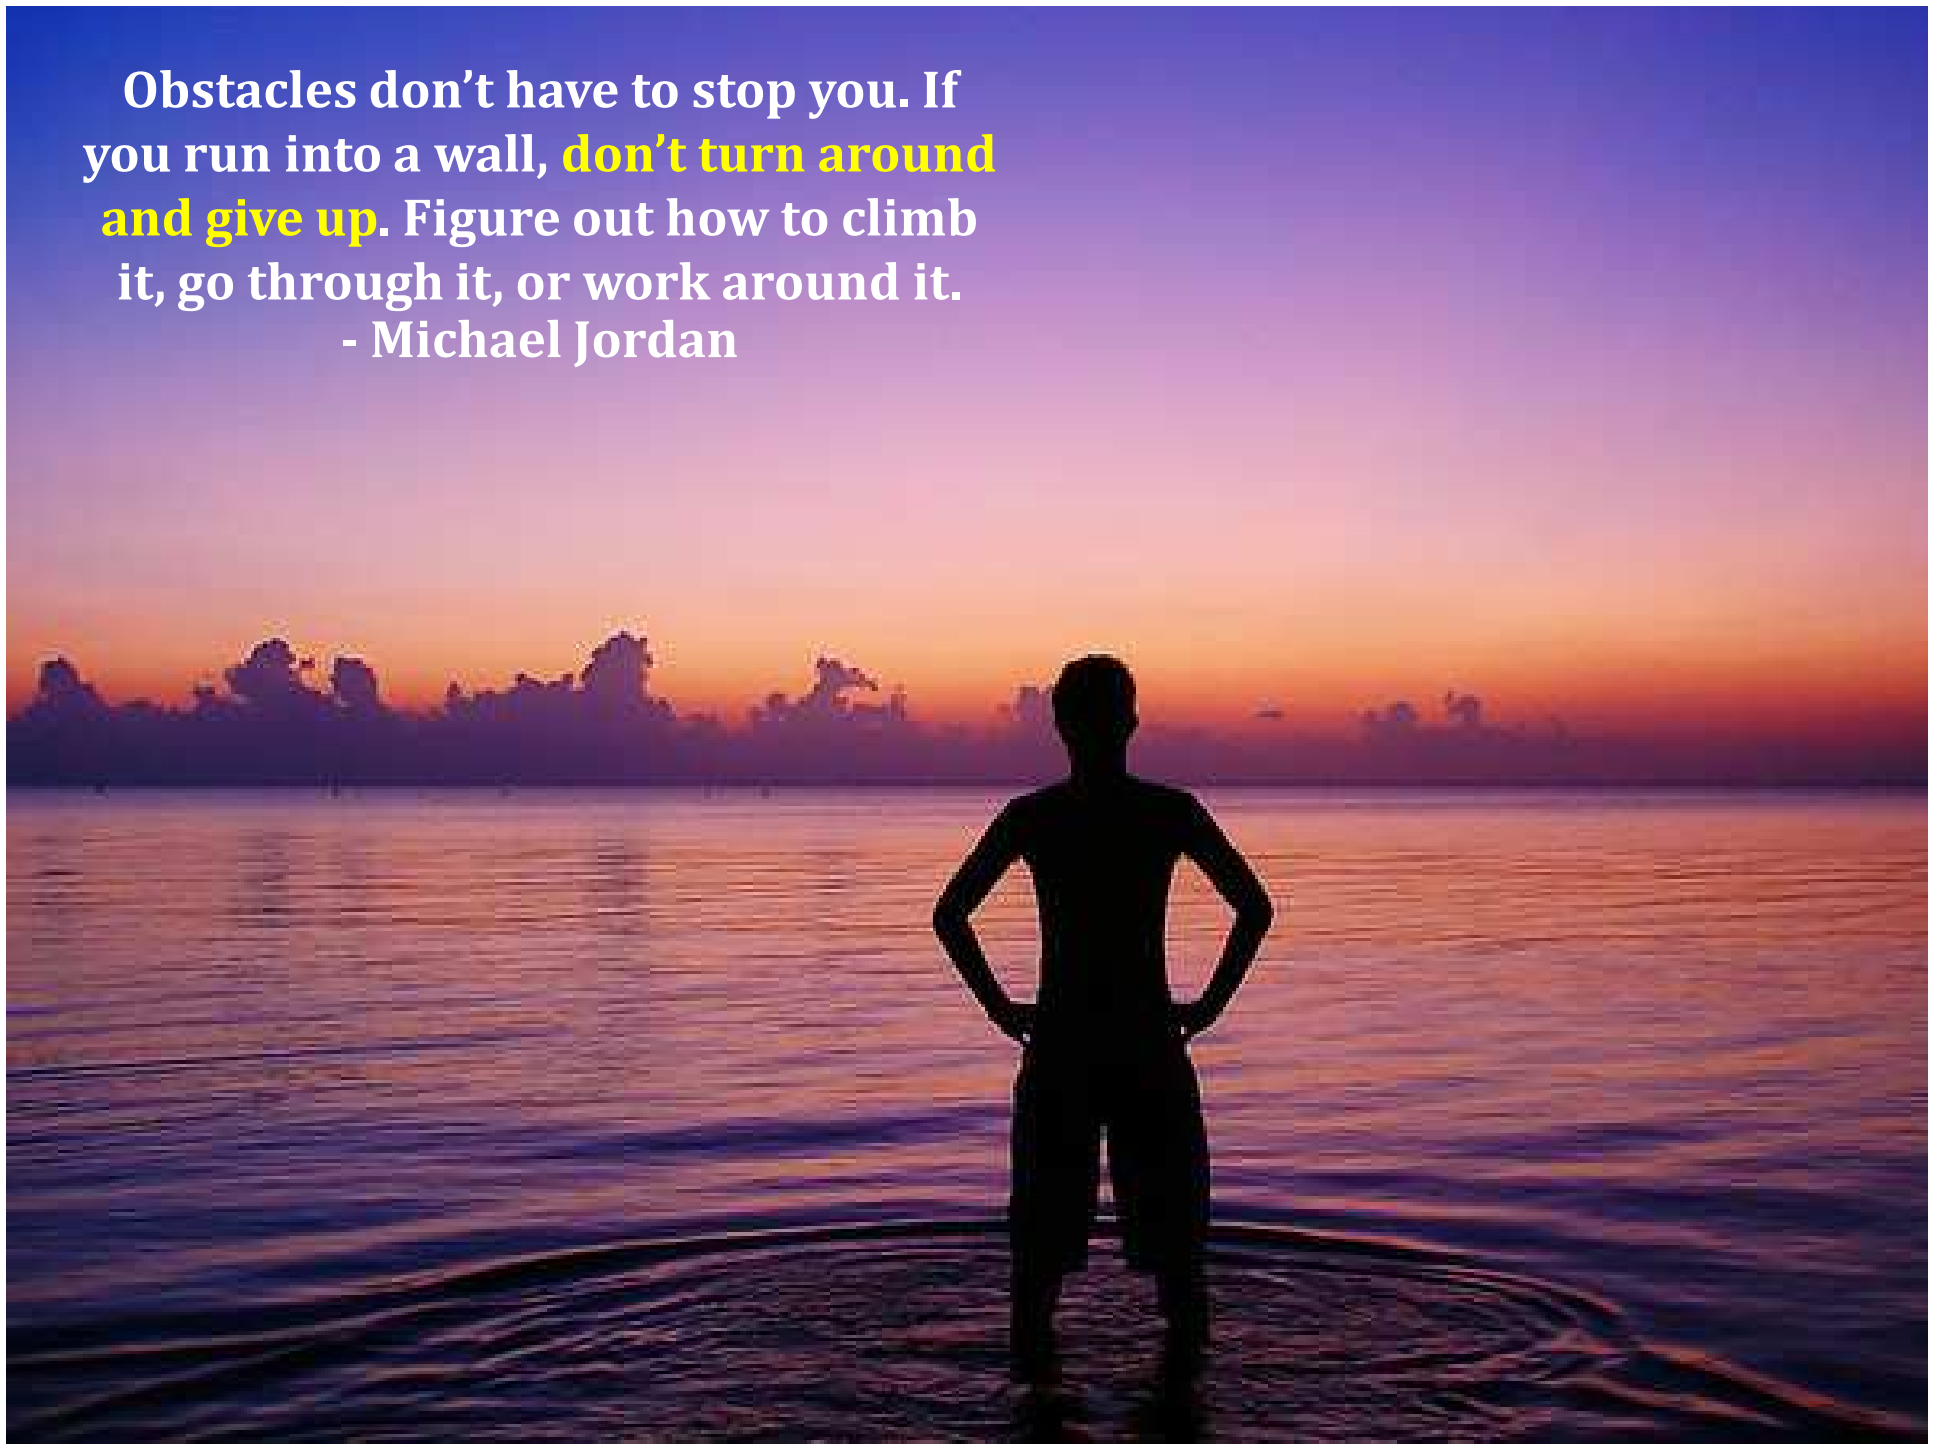

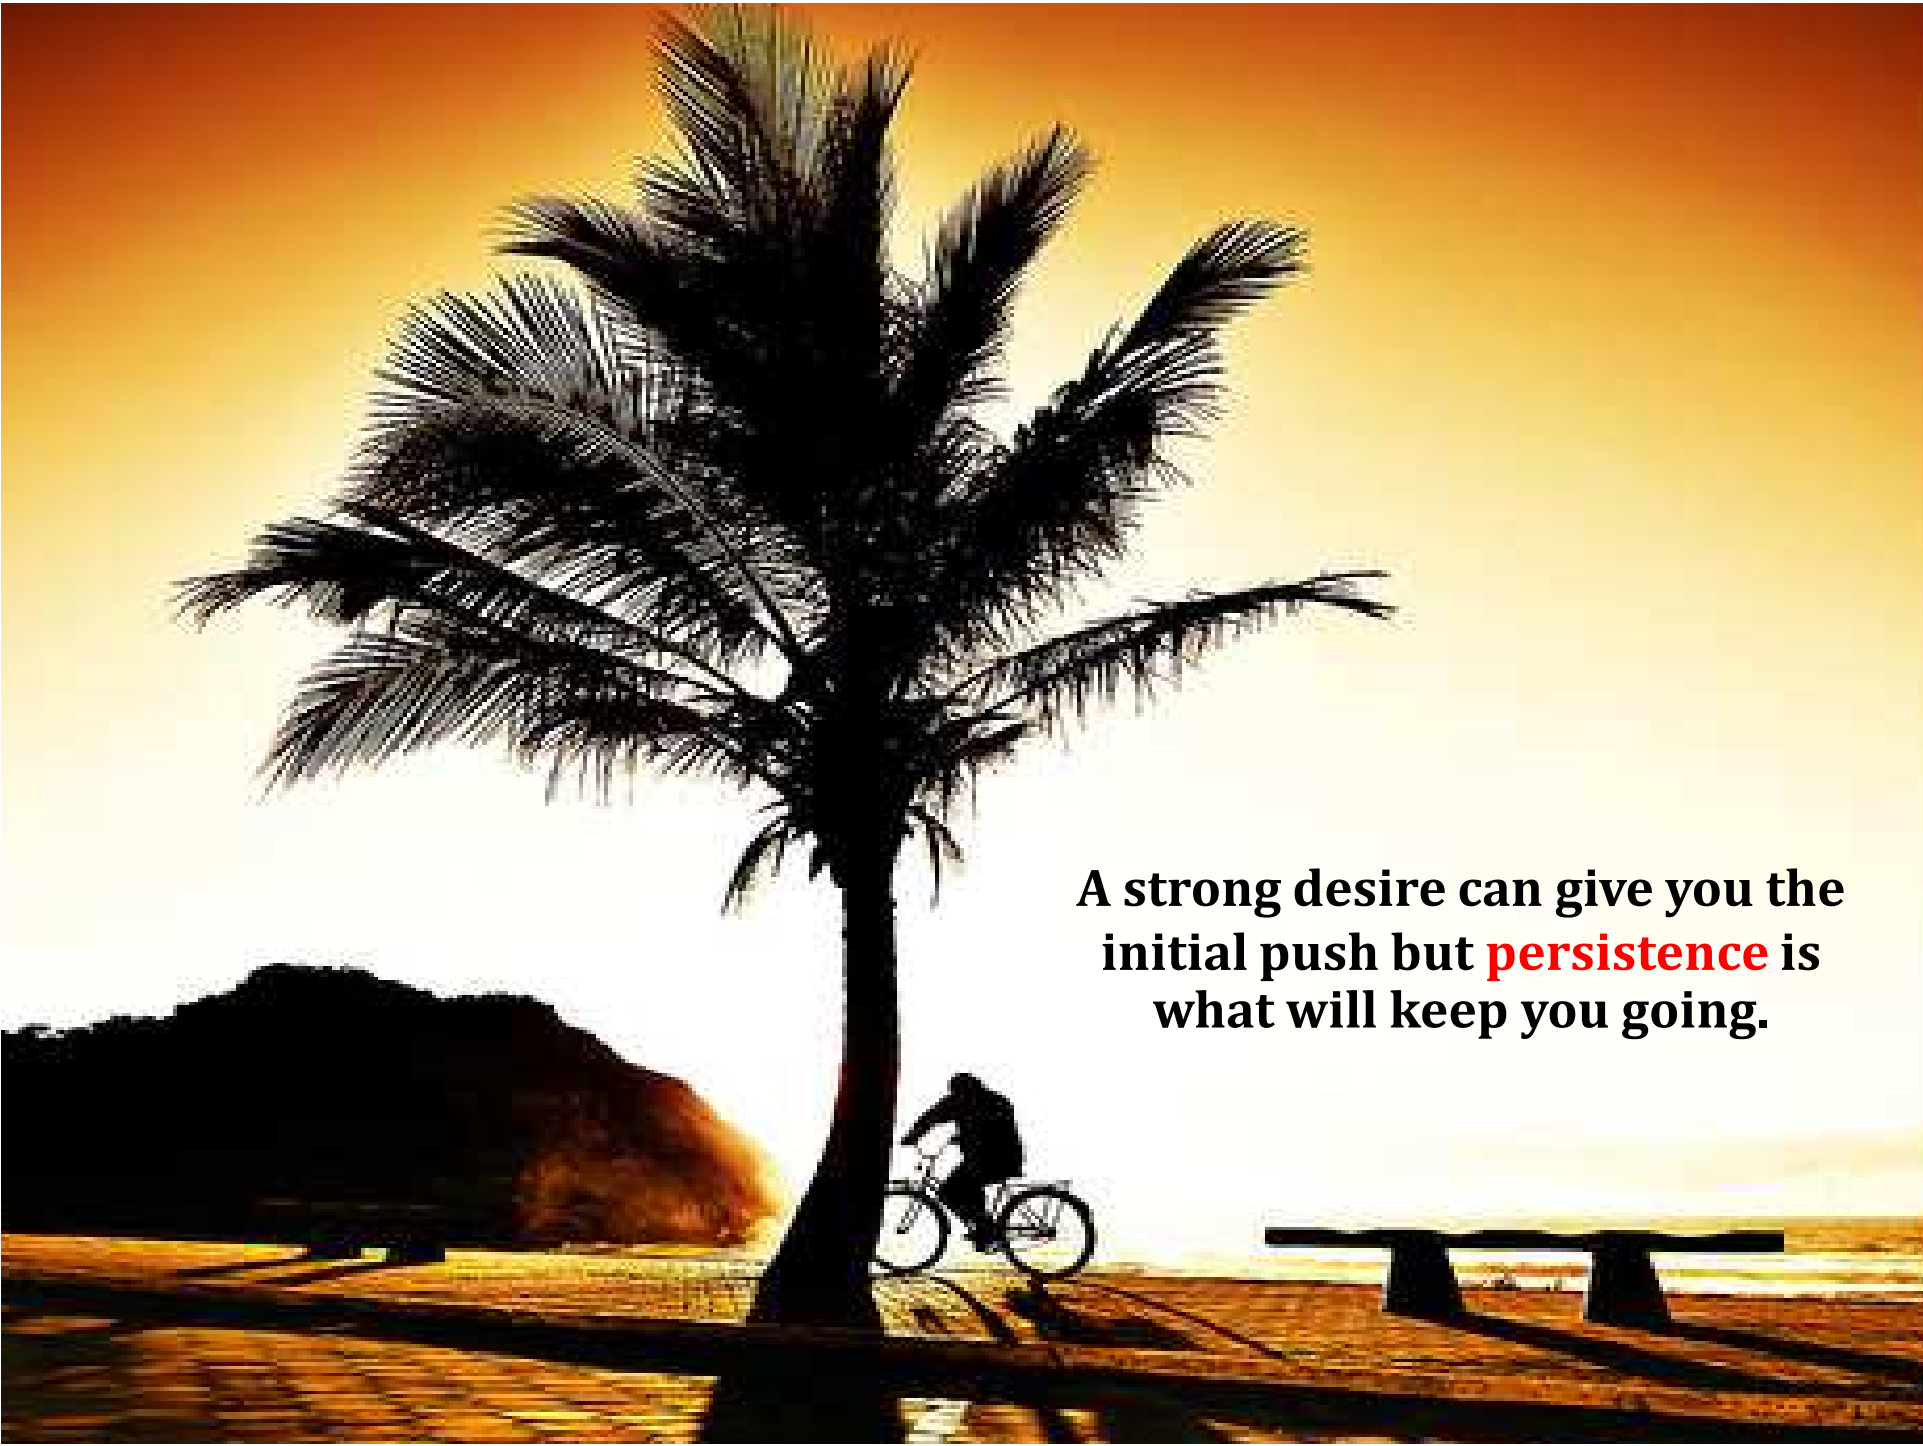

Remember that the road to success
is paved with obstacles and failures.
**Smooth seas never make a good
sailor.** Only the rough seas, gigantic
waves and gusty winds make
mighty sailors of ordinary men.

Obstacles come to **help you**, to
make you wise, to **propel you**
in your quest for success.

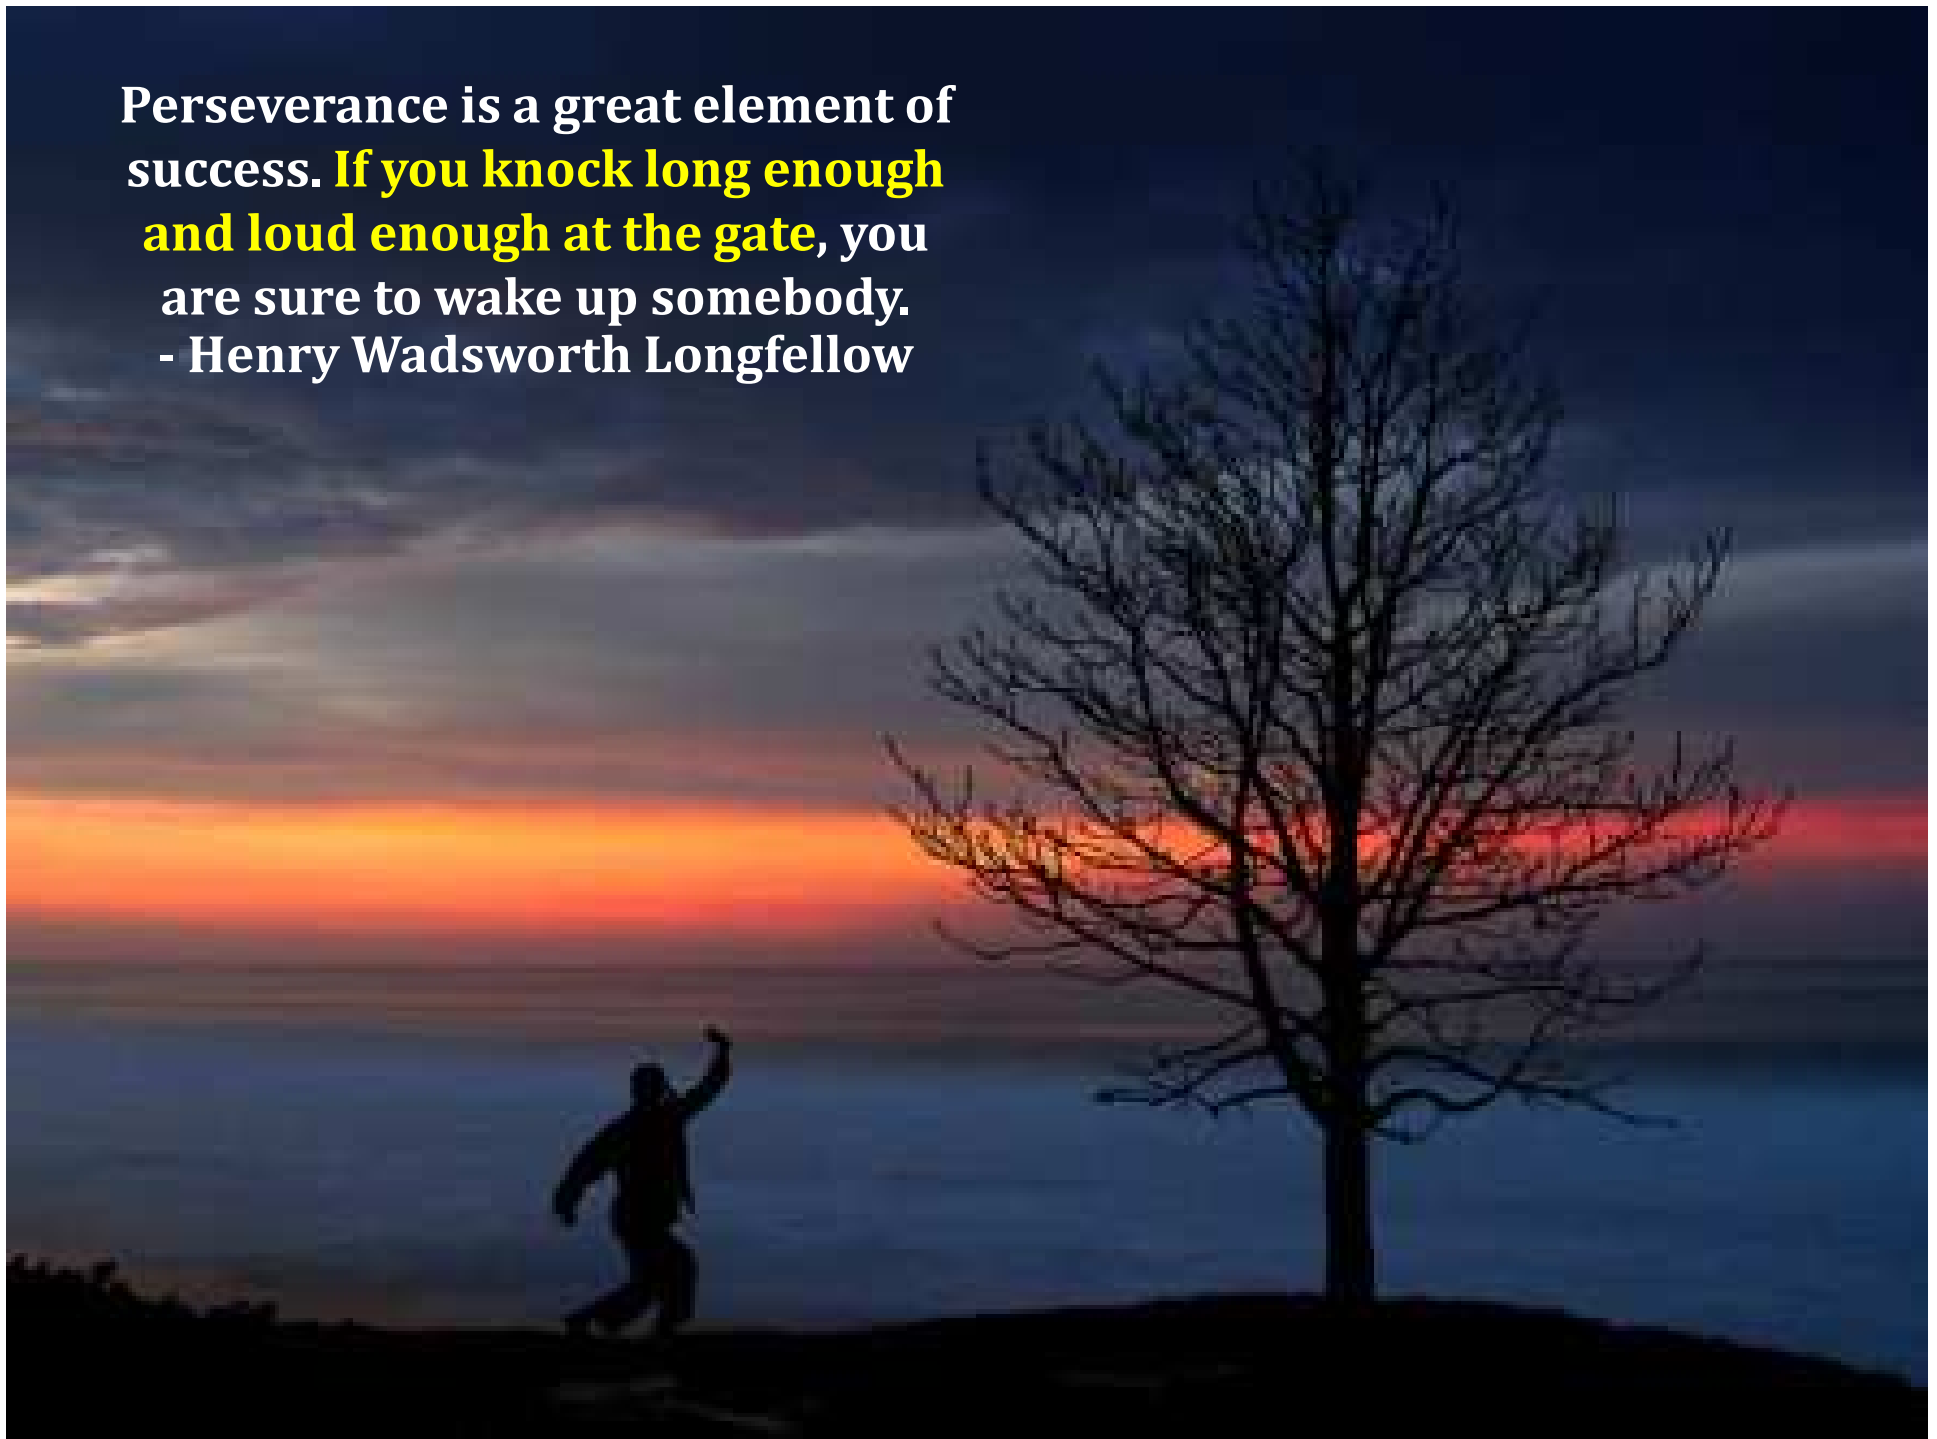

Obstacles don't have to stop you. If you run into a wall, **don't turn around and give up**. Figure out how to climb it, go through it, or work around it.
- Michael Jordan

A strong desire can give you the
initial push but **persistence** is
what will keep you going.

Perseverance is a great element of success. **If you knock long enough and loud enough at the gate**, you are sure to wake up somebody.
- Henry Wadsworth Longfellow

No matter how many times you fall,
no matter how many times you fail;
just get up and move on!!!

"Our greatest glory is not in
never failing, but in **rising
up every time we fail**".
- Ralph Waldo Emerson

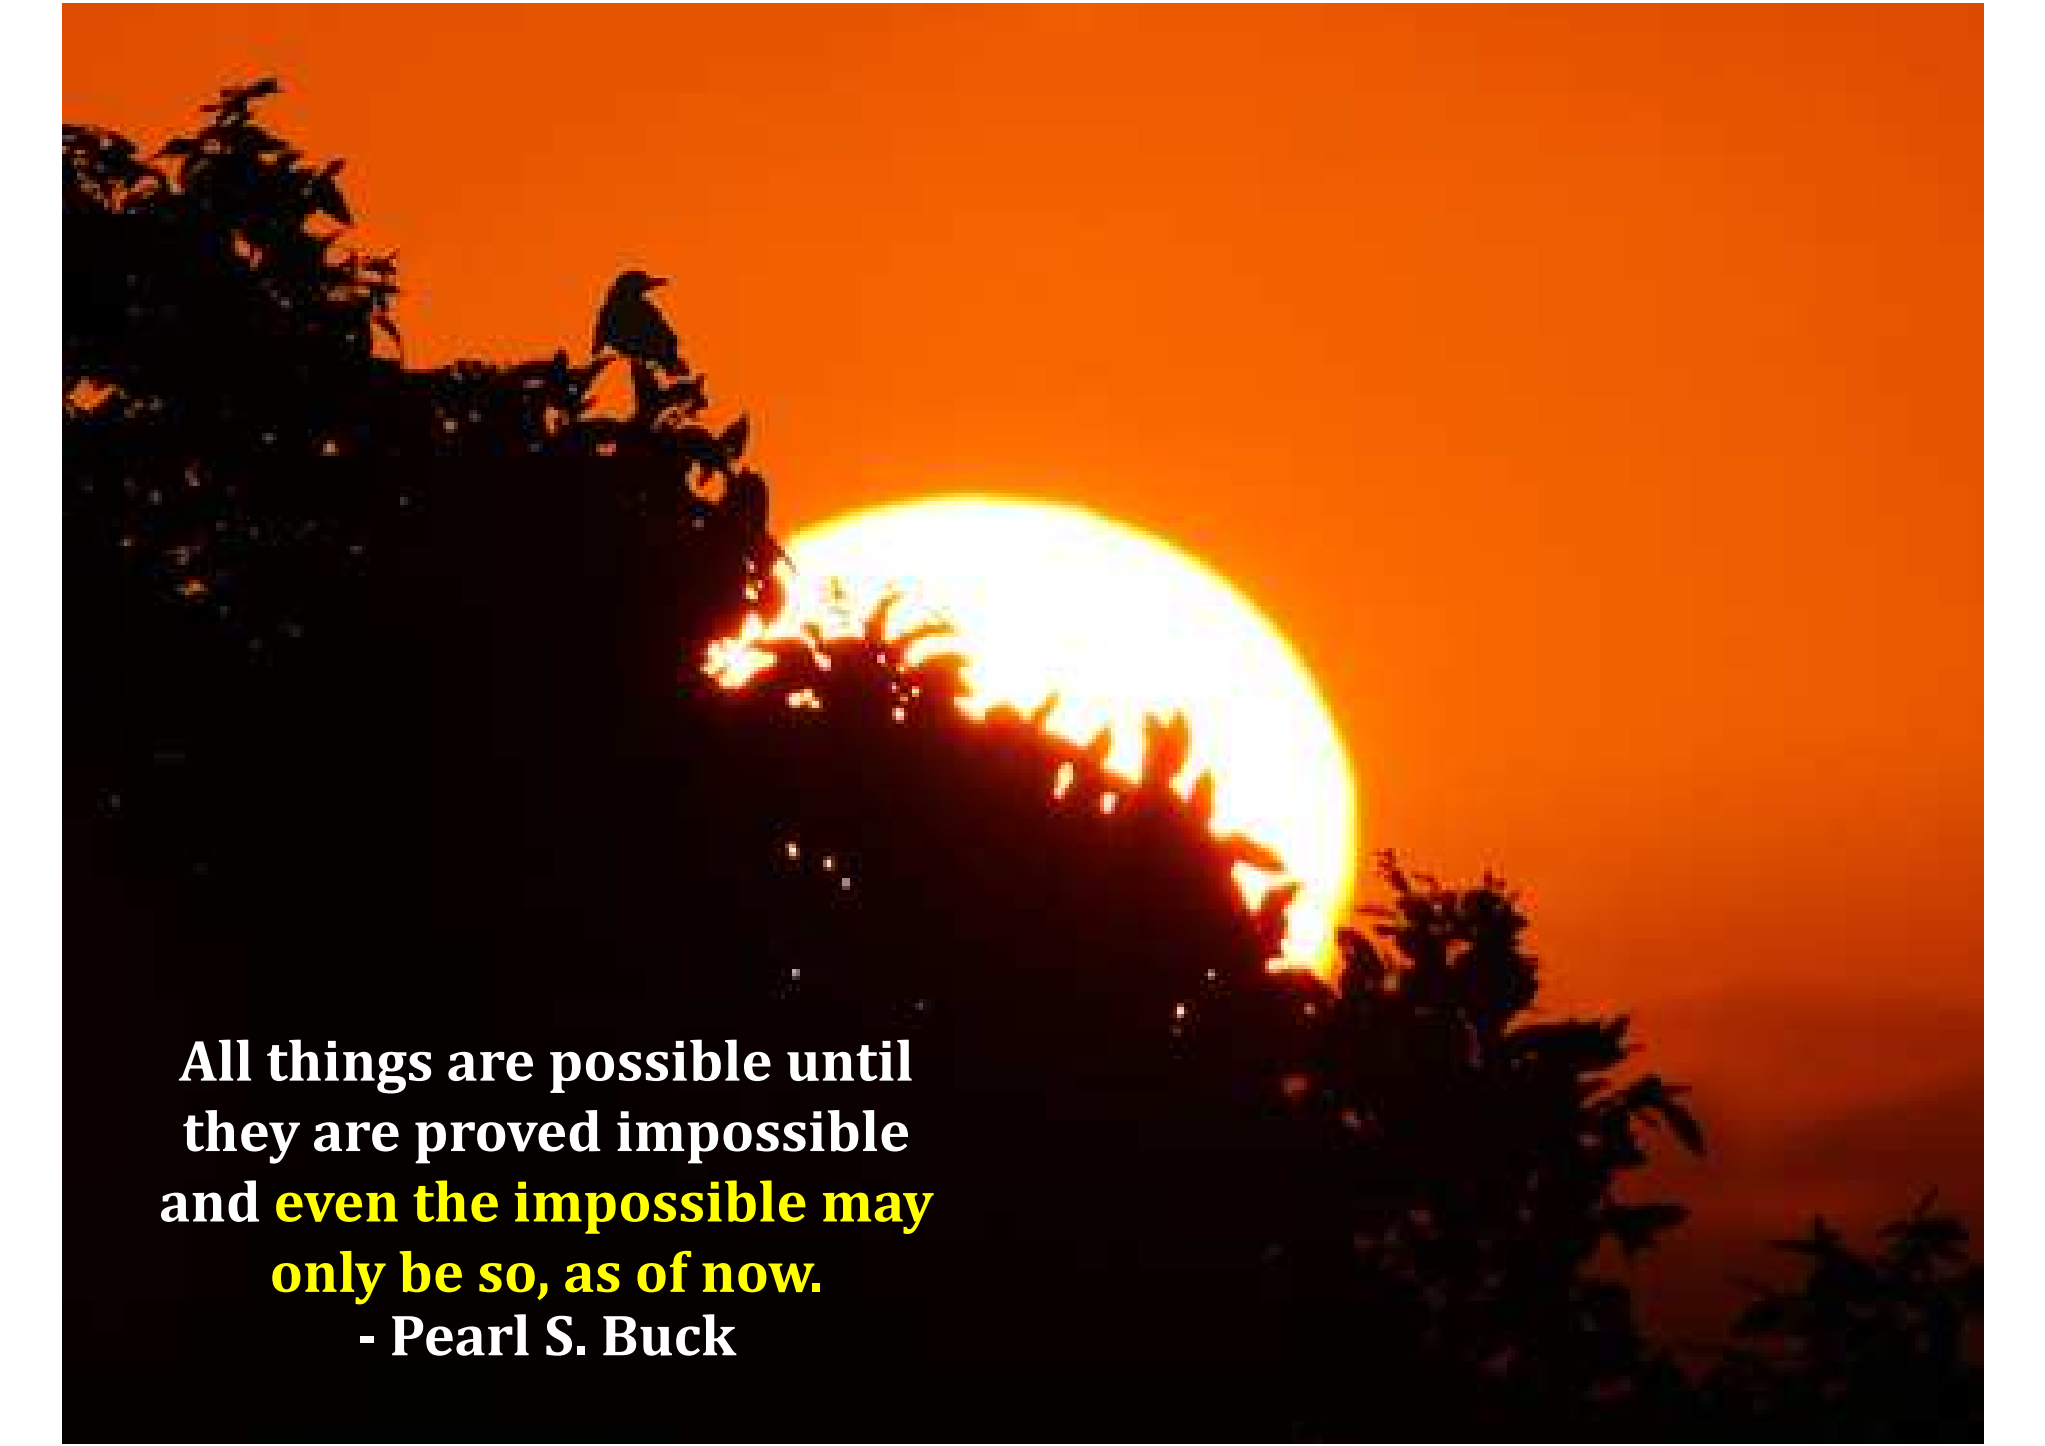

Do not give up. Try harder, try once more. The only real failure in life is to give up and quit and the biggest failure of all is **never to have even tried.**

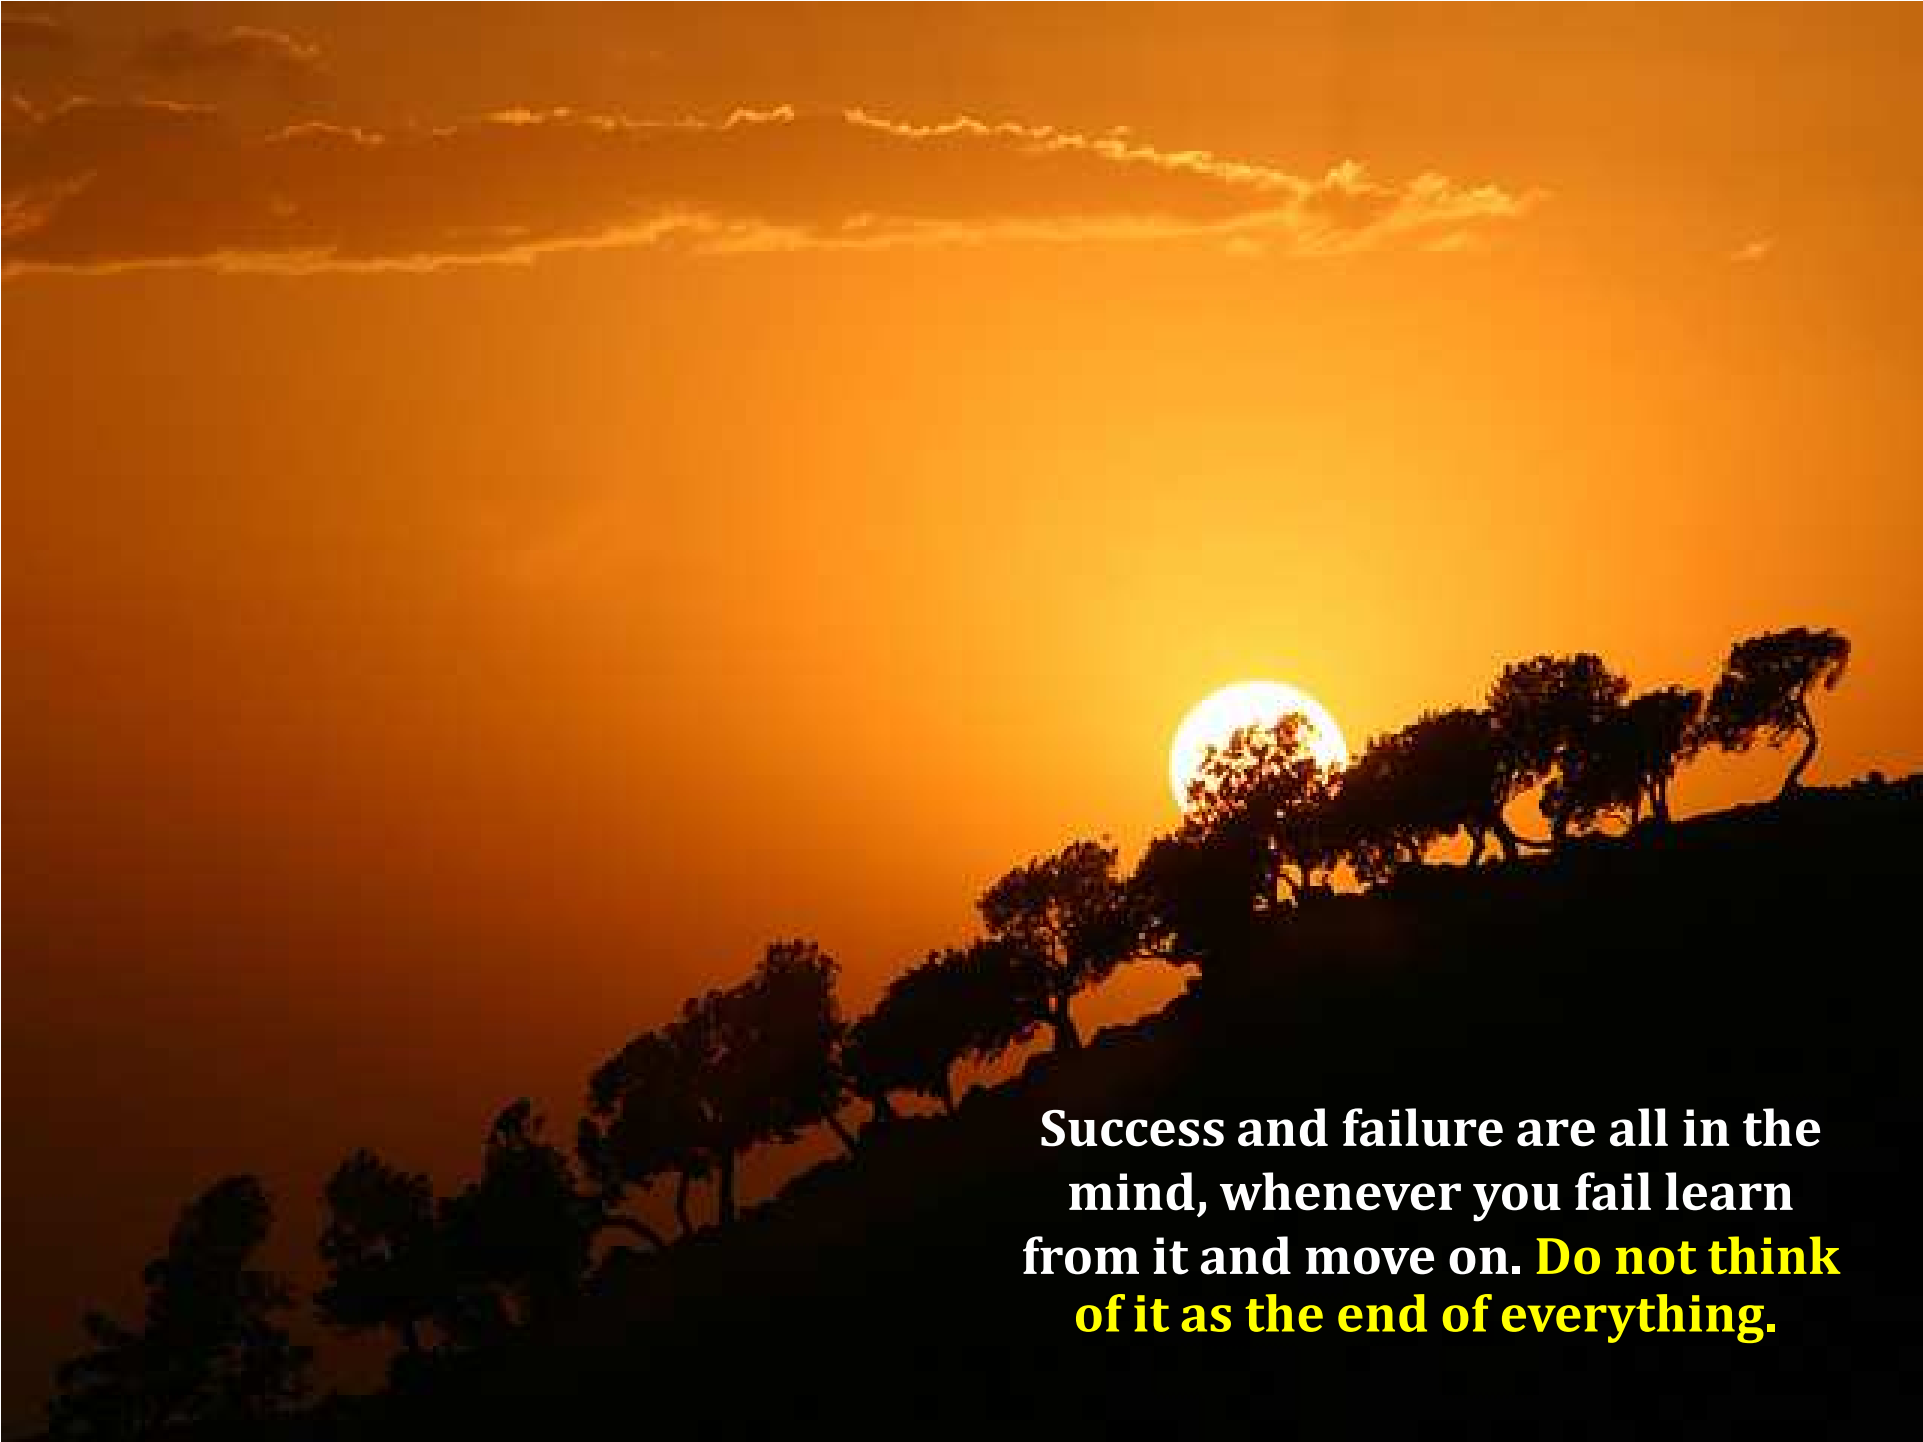

You are never a loser
until you **quit trying!!!**

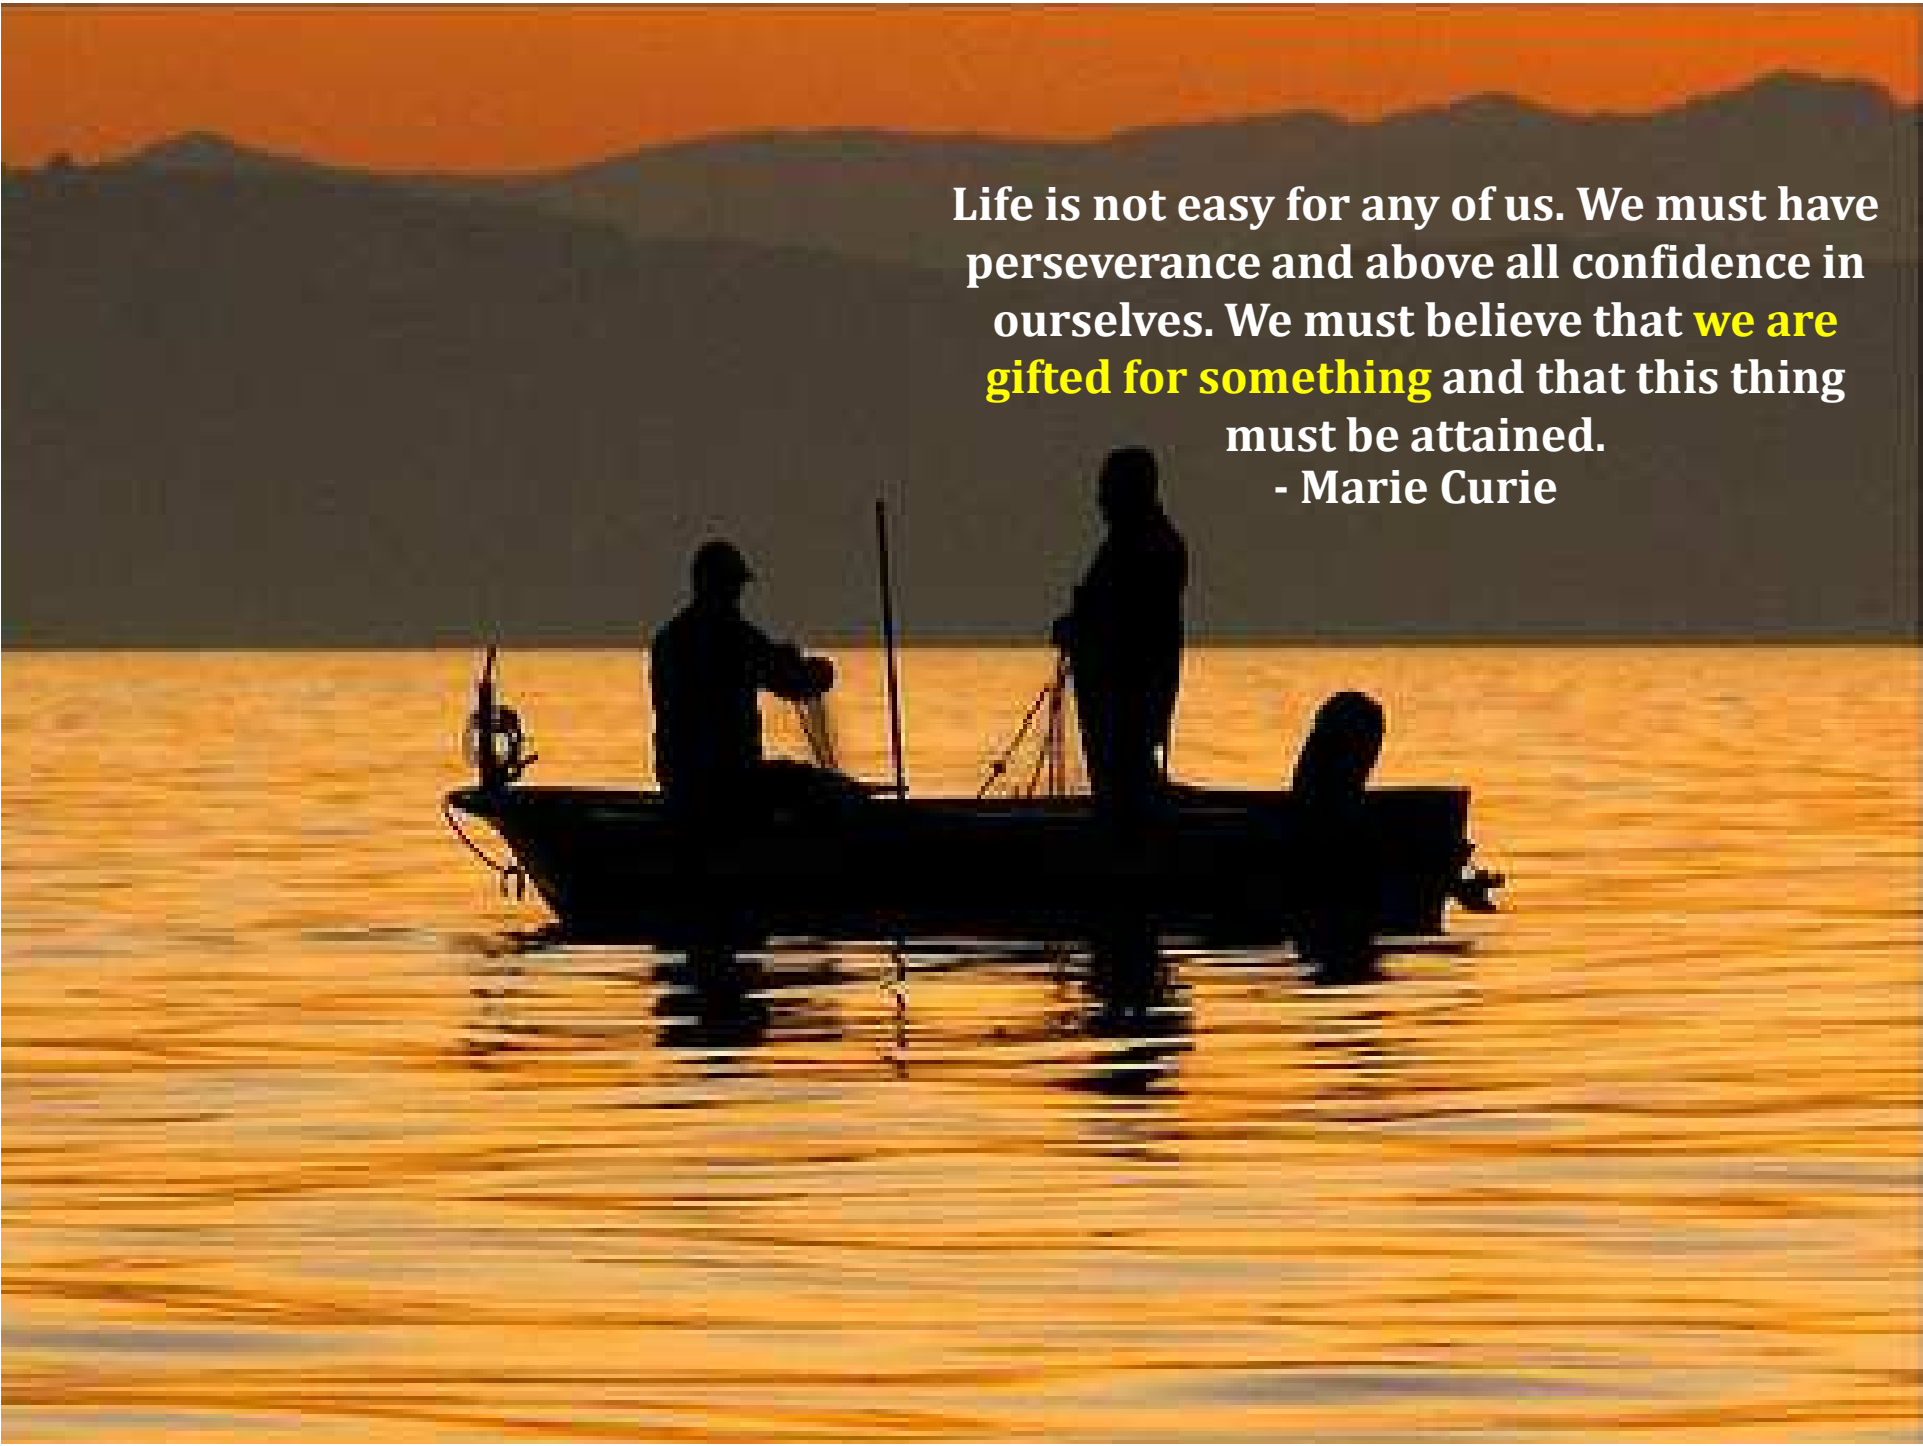

All things are possible until
they are proved impossible
and **even the impossible may
only be so, as of now.**

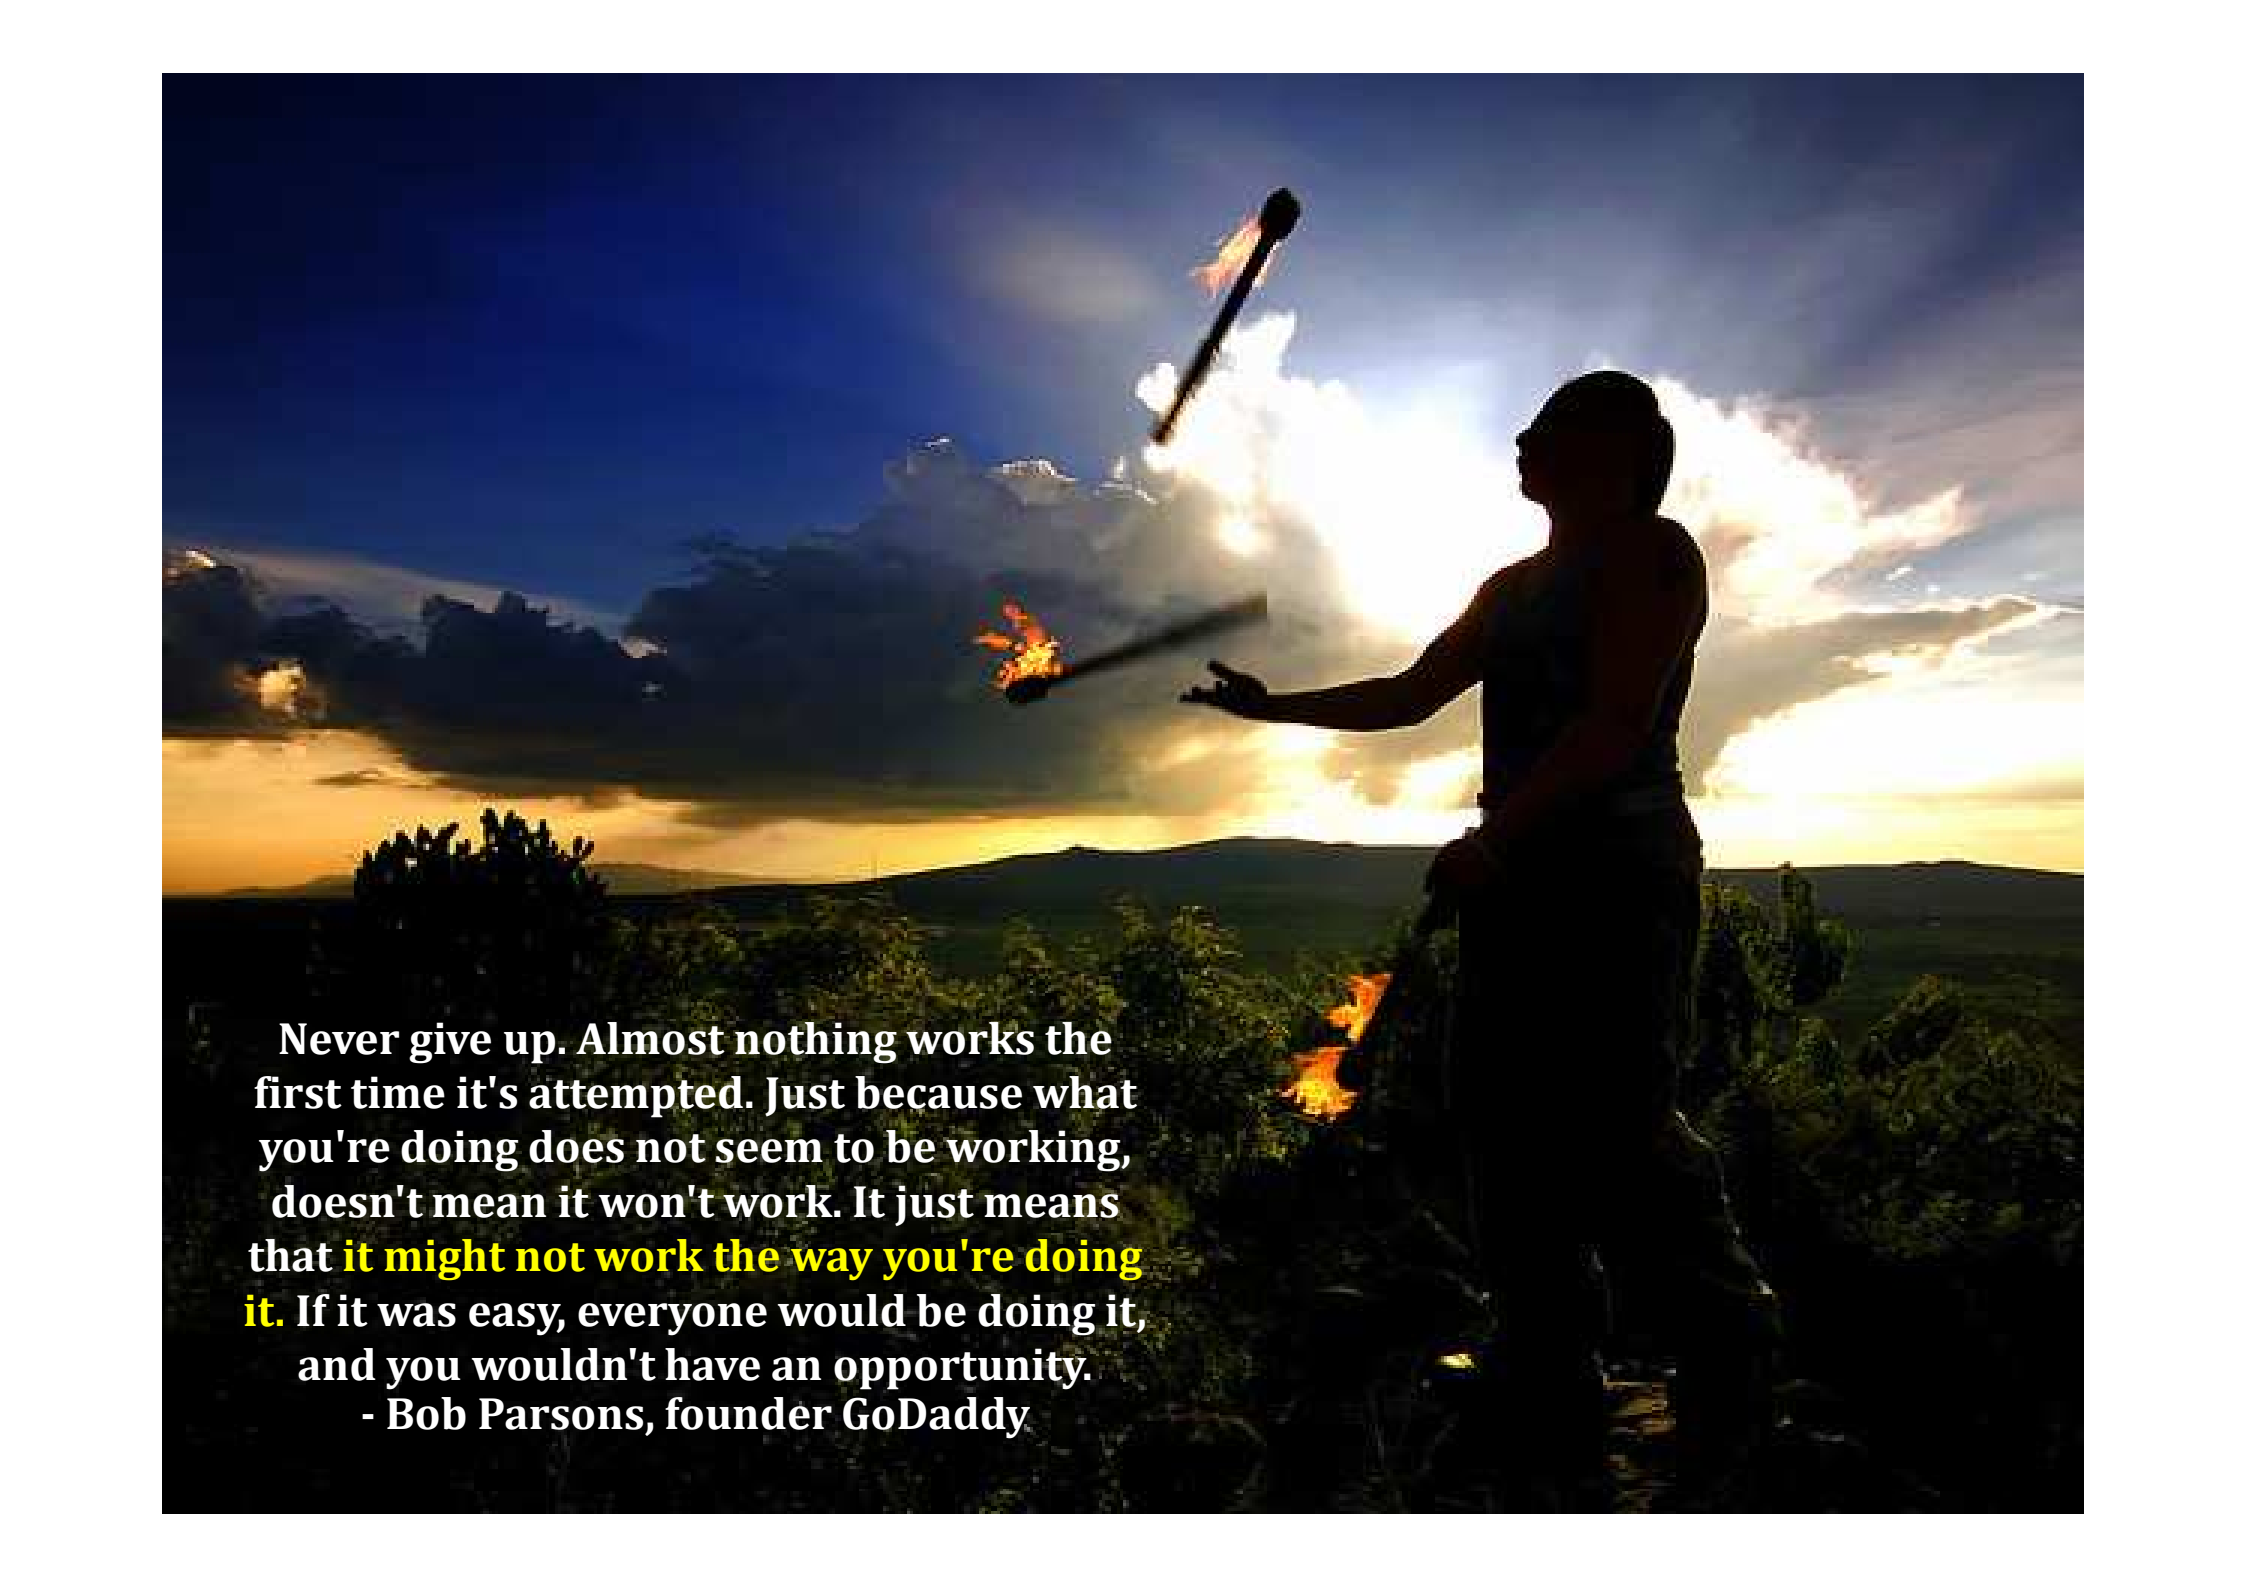

- Pearl S. Buck

Success and failure are all in the mind, whenever you fail learn from it and move on. **Do not think of it as the end of everything.**

Life is not easy for any of us. We must have
perseverance and above all confidence in
ourselves. We must believe that **we are
gifted for something** and that this thing
must be attained.
- Marie Curie

Never give up. Almost nothing works the first time it's attempted. Just because what you're doing does not seem to be working, doesn't mean it won't work. It just means that **it might not work the way you're doing it**. If it was easy, everyone would be doing it, and you wouldn't have an opportunity.

- Bob Parsons, founder GoDaddy

When you lie down and do not get up to fight, when you have lost the will to try once more that is when you would have really failed. So remember these three words always: **'Never Give Up'**.
